

Hardin Cosmetic and Family Dentistry

Financial Policy

If you have dental insurance, we will estimate your benefits to the best of our ability. However, as the patient or the subscriber, you are responsible to know your insurance benefits, exclusions and policy details. Hardin Cosmetic and Family Dentistry will not take responsibility if an insurance company does not pay for treatment. **We can only provide an estimate of benefits, not a guarantee of benefits.**

All co-payments, deductibles and non-covered services are due when services are rendered. Prior to your dental treatment, we do our best to provide you with an estimation of your total investment. All, if any, financial arrangements or options are to be done before the treatment is rendered. If there is dual insurance coverage, co-payments are based on primary insurance, once the secondary pays a refund will be issued. Insurance companies have 60 days to make payment on a claim. Inquiries after this time become the subscriber's responsibility. Cash, check, Visa, MasterCard, American Express, and Discover are accepted.

If you are going to be unable to keep your scheduled appointment time, we ask that you please have the courtesy to call the office at least 48 hours prior to the appointment. **Hardin Cosmetic and Family Dentistry reserves the right to charge a fee for any appointment failed or cancelled without a 48 hour notice.** A patient or family may be dismissed from the practice due to failed appointments or failing to keep account balances paid.

I understand that I am financially responsible for all services whether or not paid by my insurance carrier. In the event that my account is not paid, I agree to pay all cost of collection, including attorney fees, court cost, any billing charges and interest fees.
